OTHER CORPORATE IMMIGRATION SERVICES

KILP attorneys also provide other related employment-based immigration business services including global immigration, worksite compliance, and litigation. The firm has specialized teams for these services.

- **Global Immigration** provides global mobility services for multinational companies with branches in the U.S. transferring employees overseas
- **Worksite Compliance** provides compliance services for any-sized employers like training and conducting I-9 self-audit, as well as responding to federal agency audits, investigations, and enforcement-related litigation
- **Business Immigration Litigation** can be a powerful tool to hold federal agencies accountable for unreasonable delays and unfair adjudication tactics.

We do not believe in a one-size-fits-all approach, usually offering multiple solutions to difficult problems presented by clients. We are particularly respected for our cutting-edge solutions to difficult business immigration problems. Our client feedback consistently ranks our extreme **responsiveness** as a highly valued feature of our service model.
