## GLOBAL IMMIGRATION SERVICES FOR CORPORATIONS

**KILP** has a strong and vetted network of international partners to service companies successfully with a global workforce. The firm has particularly strong relationships with local partners in over 20 countries. KILP's global immigration attorney team also has very high standards for service delivery, which our international partners consistently meet or surpass. For clients who prefer a single point of contact and billing, these global attorneys partner seamlessly with KILP to ensure all communications, costs, and workflows through KILP attorneys. This ensures the client has the consistently high-quality experience that KILP is known for, while also remaining cost-effective.

In working with local counsel in each jurisdiction, KILP manages the global immigration process with our local team from start through issuance. Our goal is to have high-touch, constant service on the ground for sponsored employees.

KILP handles initial case assessment, intake, information and documentation, and engagement with local counsel. Other services KILP global immigration attorney team assists with are:

- Immigration program development
- Consular and embassy services
- Travel analysis
- Contingency planning

## GLOBAL IMMIGRATION NETWORK

KILP attorneys are members of [AILA](#) (American Immigration Lawyers Association) and its Global Migration Section. In addition, William Stock is a member of [ABIL](#) (the global Alliance of Business Immigration Lawyers), where we source and partner with other member firms and counsel across the globe to provide effective immigration assistance worldwide. ABIL (Alliance of Business Immigration Lawyers) is a prestigious worldwide organization including 38 global law firms and 1,000 professionals, all collaborating to refer vetted local immigration services for each other's clients.

## SERVICES FOR GLOBAL MOBILITY

Global mobility in-house teams and companies are facing increasing challenges every day. Teams are asked to take on more strategic roles in companies and need the resources to meet increasing demands. KILP provides seamless global immigration services as an irreplaceable resource for global mobility clients. With a focus on supporting the technological demands, including data protection, analytics, reporting, and analysis, KILP's global immigration attorney team is equipped to assist mobility teams to surpass their increasing demands.

## OTHER EMPLOYMENT-BASED IMMIGRATION SERVICES

KILP attorneys also provide other related employment-based immigration business services including corporate immigration, worksite compliance, and litigation. The firm has specialized teams for these services.

- **Corporate Immigration** works with key stakeholders from multinational corporations, universities, research institutions, hospitals, and midsize to small companies in managing and developing their business immigration programs.
- **EB-1 Immigration** has a dedicated team including attorneys and technical writers who are highly successful at assisting professionals pursuing extraordinary career achievements.
- **Worksite Compliance** provides compliance services for any-sized employers like training and conducting I-9 self-audit, as well as responding to federal agency audits, investigations, and enforcement-related litigation.

We do not believe in a one-size-fits-all approach, usually offering multiple solutions to complex problems presented by clients. We are particularly respected for our cutting-edge solutions to difficult business immigration problems. Our client feedback consistently ranks our extreme **responsiveness** as a highly valued feature of our service model.
